the opportunity to return to bewaley; either under your own steam by walking back along the opposite bank of the river or by steam power utilising the historic Severn Valley Railway. (Charges apply, please check with SVR for times and prices.) Whichever route you choose you can be sure that experiencing the splendour of the Georgian town of Bewdley, the meandering of Britain's longest river and the breathtaking steep-sided woodland valley will leave you pleasantly surprised with the beauty that Worcestershire has to offer.
