Proposed sand and gravel quarry with progressive restoration using site derived and imported inert material to agricultural parkland, public access and nature enhancement

Land at Lea Castle Farm, Wolverley Road, Broadwaters, Kidderminster, Worcestershire

RESPONSE: These have been considered and acted upon within the main Regulation 25 Response.

*In order that the application may be assessed promptly and with an appropriate type and level of information, I would be grateful if you could confirm as soon as practicable the date by when I could expect to receive the further information that is the subject of the above request.*

*In addition to the attached formal request for further information, I also have the following questions / points of clarification:*

- 1) Worcestershire Regulatory Services in their comments dated 27 February 2020 recommend the imposition of conditions restricting the operating hours as follows:*

RESPONSE It is considered that the PROW along the south western boundary of the Site is located between the existing woodland block and the restored agricultural land.

RESPONSE: Yes, agreed. This would be welcomed. It is proposed to form a Liaison Group upon the determination of the application to allow for further consultation and opportunities for community involvement.

- 6) A local residents in their letter dated 15 March 2020 (attached), questions the trust worthiness and the track record of the applicant. You may wish to comment on these allegations.*
