Subject: RE: Land at Lea Castle Farm - Proposed Quarry - Update

Dear Steven

Many thanks for this, I would like to point out a few concerns.

Firstly I would like to point out that Broadwaters Sion Hill is within 2 KM of the site you mention. In fact I think you will find there are about 2000 houses in Broadwaters that are within the 2 KM radius.

None of the concerns that Cllr Rook and myself put forward have been incorporated into this paper.

Perhaps you need a map that has a 2 KM radius of the site and then you will see that there is a big residential area that is densely populated. We are within a 5 minute walk. I suggest that this is well within the 2 KM you mention. At the end of my road which is less than 100 yards will be able to see part of this development. I feel that this is an important fact as people forget us here. We are not out of sight and out of mind.

We are very much here,

Kind regards

Mary

Subject: Land at Lea Castle Farm Proposed Quarry Update

Dear Mary,

Application Ref: 19/000053/CM Grid Ref: (E) 383959, (N) 278992

Applicant: NRS Aggregates Ltd

Proposal: Proposed sand and gravel quarry with progressive restoration using site derived and imported inert material to agricultural parkland, public access and nature enhancement

Location: Land at Lea Castle Farm, Wolverley Road, Broadwaters, Kidderminster, Worcestershire

With regard to the above proposal. I can now confirm that the application has been received and validated. I have arranged for the application to be consulted upon for 6 weeks between 6 February 2020 until 19 March 2020. Site notices will be put up at the site and in the surrounding area, neighbour notification letters will be sent, and a press notice will go in the Kidderminster Shuttle. I have also arranged to consult Wyre Forest District Council, Wolverley and Cookley Parish Council, neighbouring Town and Parish Councils, together with statutory and non-statutory technical consultees. I will also formally notify / consult you on the application in due course. I have attached a copy of the Non-Technical Summary for your information.

Kind regards

Steve
