**Witton Middle school** – The Academy Trust are consulting on reducing the PAN from 180 to 150. The Trust wish to make all aware of the consultation, and the rationale for doing so. Reducing the PAN, the Trust feel, will assist in providing stability to their long-term planning while continuing to provide an appropriate number of places for future pupil numbers living in the surrounding area and attending one of the local schools. The Trust note that the current PAN is significantly higher than local demand and reducing the PAN will enable the school to meet local demand and reconfigure costs to reflect intake. Please respond directly to the Trust at the school if you wish to comment on the reduction.

**The Bewdley School** – the Governing Body wish to make all aware of their intention to increase the

neighbouring authorities, and all admission authorities within their area to ensure that **only one offer of a school place** is awarded to pupils.
