RECORD OF MEMBER DELEGATED DECISION

PROPOSAL TO INTRODUCE PARKING CHARGES AT WORCESTER WOODS COUNTRY PARK

Date Of Decision	25 January 2019
Decision Maker	Mrs L C Hodgson, Cabinet Member with Responsibility for Communities
Brief Description Of Decision	The Cabinet Member with Responsibility for Communities rescinds the decision she made on 21 November 2018 in relation to a proposal to introduce parking charges at Worcester Woods Country Park.

Reason(s) For Decision

The proposed removal of the savings target for the service, which was the main driver for the original decision, changes the circumstances significantly. In addition I have had regard to information arising during the call-in process. Overall it is no longer appropriate to implement the previous decision, which is therefore rescinded.
