

There is an agreed Fair Access protocol for students who are deemed 'hard to place' or who are on roll at a school as part of a 'Managed Move' procedure. The Chase School has agreed to this protocol.

*The school will notify the Local Authority within 5 days if a child leaves or joins the school outside of the normal admissions time. If a child accrues 20 sessions (10 days) of continued absence (authorised or unauthorised) the school will notify the Local Authority. The school will alert the Local Authority through the Children's Service portal and complete their forms.*
