As you answered 'No' , please explain your reasoning below:

The project does not require any personal data for children or adults to be used. The propos ny Tj /C2_1 1 2.688 0 Td [<003D>-1

5. Public Health

We also want to understand if the project will have any impacts on public health.

The social, economic, cultural and physical environment in which people live their lives has a significant effect on their health and wellbeing. Although genetics and personal choices also have an effect on health, the environment has a significant impact on public health.
