

Library visits for schools (Key Stages 1-4)

Worcestershire Libraries host a range of fun, engaging library visits for all school-aged children and pre-school groups. For more information, please contact your local library or visit www.worcestershire.gov.uk.

			<ul style="list-style-type: none"> o Encouragement of wider reading o Developing a love of libraries and life-long learning 	Redditch Malvern
Coding	KS2 and 3	This engaging 1 hour session introduces children to computer coding. Pupils will use 'Scratch' to create their own animation or game.	<ul style="list-style-type: none"> o Information literacy o STEAM agenda o Ambitious expectations of reading o Increases the comprehension and knowledge of themselves and the world in which they live 	The Hive ***
Microscopes	KS2 and 3	This exciting 1 hour session allows children to work in pairs to use our digital microscopes to examine slides of biological materials including different leaves and insects. The children are asked to draw what they can see and compare the structures of the different specimens.	<ul style="list-style-type: none"> o Information literacy o STEAM agenda o Ambitious expectations of reading o Increases the comprehension and knowledge of themselves and the world in which they live 	The Hive
Crime Busters in the Library	Upper end of KS2 and KS3	Come and be part of our crimesolving team in the Library where an unknown assailant seems to h4 Q q 217.58 137.18 208.61 180.
