Many thanks Chris for providing the attached quote, I can confirm that the Council wish to proceed on this basis, and re-appoint you as the Council's Expert Planning Witness for the Lea Castle Farm Quarry Appeal.

I will arrange for a Framework Order Number to be generated and sent over to you early next week.

I can also confirm you have a little extra time, as PINS have agreed to extend the deadline until **14 April** for all parties to submit revised Statements of Case (see attached email from PINS).

All the best

Steve
