

Dear Worcestershire County Council Planning Team,

I am writing to express my strong objection to the proposed quarry development at the Lea Castle site by NRS. This project poses serious risks to our community, environment, and local infrastructure, particularly given its proximity to a school and residential estates.

Impacts on Schools and Residential Areas:

The proposed development will significantly impact air quality, with dust and particulate matter potentially affecting the health of schoolchildren, residents, and particularly vulnerable groups. This is unsuitable for an area with new homes and a community focused on a safe lifestyle.

The development will increase traffic, leading to longer walking times to school, disrupted daily commutes, and reduced access for residents and emergency services.
