

Dear Worcestershire County Council Planning Team,

I am writing to express my strong objection to the proposed quarry development at the Lea Castle site by NRS. This project poses serious risks to our community, environment, and local infrastructure, particularly given its proximity to a school and new residential estates.

1. Environmental Impact:

2. Health Risks Near Schools and Residential Areas:

The constant noise from quarry machinery, along with heavy truck movements, will create an intrusive environment for nearby schools, families, and residents. This disruption level is unsuitable for an area with new homes and a community focused on a peaceful, safe lifestyle.

both residents and emergency service access.

5. Long-term Economic Impact:

The quarry could negatively impact property values in these new housing estates and deter future investors and residents from the area. The Lea Castle site has the potential

In summary, I urge you to consider the substantial negative impacts this quarry would have on our community, particularly on nearby schools and residential areas. This development does not align with the health, safety, and sustainable future of our local area.

Thank you for considering these serious concerns.

Yours sincerely,
