Subject: Objection to Proposed Quarry Development Dear Worcestershire County Council Planning Team,

I am writing to express my strong objection to the proposed quarry development at the Lea Castle site by NRS. This project poses serious risks to our community, environment, and local infrastructure, particularly given its proximity to a school and new residential estates.

at Lea Castle Site

1. Environmental Impact:

- Ç Ç Ç Ç Ç Ç Ç ÇÇ Ç Ç Ç -Ç Ç - Č

The constant noise from quarry machinery, along with heavy truck movements, will create an intrusive environment for nearby schools, families, and residents. This disruption level is unsuitable for an area with new homes and a community focused on a peaceful, safe lifestyle.

both esidents and emergency service access.

5. Long-term Economic Impact:

The quarry could negatively impact property values in these new housing estates and

development does not align with the health, safety, and sustainable future of our local area.

Thank you for considering these serious concerns.

Yours sincerely, [Martine Hirrell] [14 Albrighton Drive , Kidderminster]
