

Dear Helen,

Due to unavoidable work commitments, I am unable to attend the inquiry in person. I respectfully request that my objection to the proposed quarry at Lea Castle Farm be read out on my behalf. I believe that this development poses serious environmental, health, safety, and social risks to the community, and I would like these concerns to be taken into consideration as part of the inquiry proceedings.

#### Impact on Air Quality and Health

A primary concern with this development is the impact it will have on air quality in the surrounding area. The proximity of the proposed quarry to Wolverley and Cookley, particularly its location near a primary school, playing fields, and children's playgr
